Voyage Consulting Group CEO contributes to best-selling book

1 Habit is in the Top 50 books of Amazon Best Sellers in three competitive categories

(KANSAS CITY, MISSOURI, November 6, 2019) A new book, **1 Habit: 100 Habits of the Happiest Achievers on the Planet**, published by Envision Media Partners in July 2019, reached best-seller status this week. The book includes a contribution from Voyage Consulting Group's President and CEO, Kelly Tyler Byrnes.

1 Habit is in the top 50 books of Amazon Best Sellers in three categories:

- #22 in Personal Success & Spirituality
- #35 in Women's Personal Spiritual Growth
- #38 in Motivational Growth & Spirituality

Information about the book can be found on the book's [website](#) and on [Amazon](#).

About the 1 Habit™ Book

1 Habit™ Could Change Your Life Forever

You know the joy you feel when you are so passionate about your "why" that you can't wait to wake up and jump right into life? That motivation will get you started, but to be able to follow through, you need the Habits that will help you place one foot in front of the other when things get tough.

Author and publisher Steve Samblis spent years searching the world for the most successful people on the planet. He got to know them and asked them each "What was the one most crucial habit in your life that has made the most significant impact on your success." He then took these 100 Habits and put them into a book called **1 Habit**. Not only does the **1 Habit** contain the Habits, but it also teaches you how to make a Habit part of who you are. Make it part of your being. Once instilled in you, the Habits becomes something you just automatically now do, and that automates your pathway to success.
